Tuition providers:

SPELD, One-On-Tuition, Ruth Falconer, Seabrook MacKenzie Centre, The University of Otago.

Duration of EEF support: 2006 – 2019 +

Luke has been supported by the FB EEF since 2006 with help with his dyslexia. This has included teacher aids, SPELD tuition, maths tuition and most recently he has successfully completed his first year at The University of Otago with the EEF support of a tertiary scholarship.

Luke's mother Clara, from Winstone Wallboards, Christchurch is very grateful for the support for Luke from the FB EEF. Clara says "dyslexia has been a true battle for Luke but his results from University reflect that with the correct support and teaching, academic success is highly achievable"
