

THE EEF SUPPORTING FB DEPENDANT: ZACARIAS BAPTISTA

Tuition provider:

YMCA Camp Adair

Duration of EEF support: January 2019

Zac has recently attended Camp Adair part of the YMCA programme.

Zac comments were: "My favourite thing at camp was the mudslide it was so fun. I wish I had a mudslide in my backyard. I also really enjoyed archery because it was the first time I had ever used a bow and arrow before. But when I tried it out I had lots of fun. All the people at camp were really nice I made 3 friends. Thank you Fletchers for subsidising me going to camp I really hope I can go to camp again some time soon."

Zac's mum was very grateful to the FB EEF for the funding received to enable Zac to attend.

Sarah works at PlaceMakers, Takanini as a Health and Safety Co-ordinator/Inventory Controller.
